LETTER FROM THE CEO

**TALLURI
PAVAN TEJA**

CEO HelloMedic

First of all, congratulations on clearing one of the most competitive exams in India — NEET UG! Achieving this milestone is a testament to your hard work, dedication, and resilience. At HelloMedic, we understand that success in NEET is not just about getting a good score, but about making informed decisions that shape your future. Whether you dream of serving in a government hospital, pursuing a specialty, or leading in medical research — this moment marks the beginning of your journey.

As you now enter the critical phase of counselling, remember — you're not alone. Our NEET team, mentors, and experts are here to guide you at every step. From choosing the right college based on your rank, preferences, and budget to ensuring that you avoid common pitfalls during counselling — we've built this platform to be your most reliable companion. We wish you the very best as you take your next step toward becoming a doctor. May you find the college that aligns with your passion and opens doors to a meaningful career in medicine

REPORT OVERVIEW

This NEET AI Report is a personalized and data-driven counselling guide designed to help you make the best decisions during the NEET UG 2024 admission process. Based on your NEET score, All India Rank (AIR), category, domicile, and college preferences, this report provides strategic recommendations to help you secure a medical seat in the most optimal way — academically, financially, and personally.

What's Covered in This Report

Candidate Snapshot

- An overview of your NEET 2025 rank, category, and domicile, which helps in determining your eligibility across various state and national counselling processes.

REPORT OVERVIEW

Top 10 Government Colleges (AIQ & State Quota)

- A list of government medical colleges where you have the highest probability of admission based on past year cutoffs and your current rank.

Top 10 Private Medical Colleges (Open States)

- Curated recommendations of private colleges in open states where non-domicile students are eligible, ranked by affordability, ranking, and clinical exposure.

Top 10 Deemed Universities

- Deemed medical colleges accepting admissions via MCC counselling with transparent closing ranks, fee details, and reputation highlights.

Counselling Roadmap (Round 1 Focus)

- A step-by-step plan on which counselling processes to prioritize, how to apply, and key deadlines to watch for — with tailored recommendations for AIQ, State, and Deemed rounds.

Open State Eligibility

- Clarity on which states you can apply to outside your domicile, and how to leverage those opportunities for better seat security.

NEET AI Recommendations

- Smart insights generated using historical data, fee structures, seat matrix, and cutoffs to suggest the most strategic mix of college options.

FINAL TIPS BY NEET AI

- Apply to Delhi state quota & AIQ immediately
- Fill open state private options as round 2 insurance
- Consider top 2–3 deemed colleges only if budget allows
- Lock choice order by preference: ROI > Ranking > Location
- Keep all documents ready: Scorecard, ID, Affidavits, Class 12 marks

NEET AI PHASE 1 – SUMMARY & ACTION PLAN

HIGH PRIORITY ACTIONS:

- Register for MCC AIQ counselling
- Apply to Delhi State Quota (DU/GGSIPU)
- Fill open states: Haryana, Rajasthan, HP, Uttarakhand
- Prepare documents: NEET Rank card, DMC, Affidavit, Caste (if any)

SEAT PROBABILITY OVERVIEW:

Counselling Type	Seat Chance (Govt)
Delhi State	★★★ Moderate-High (North DMC)
AIQ 15%	★★★ High (BJMC, PGIMS Rohtak)
Open States	★★★★ High (Haryana, Rajasthan, HP)
Deemed Univ.	★ Optional / Backup only

GOOD LUCK

With NEET UG Counselling Round -1
